

# ANNUAL REPORT OF THE SOUTHLAND DISTRICT LICENSING COMMITTEE

#### FOR THE 12 MONTHS ENDING 30 JUNE 2017

## Introduction

Section 199 of the Sale and Supply of Alcohol Act 2012 requires the territorial authority to prepare and send to the licensing authority a report of the proceedings and operations of its licensing committees during the year.

The Authority's suggested format is followed in this report.

## 1. Overview of the District Licensing Committee's (DLC) Workload

The Southland District Council employs three Environmental Health Officers, all of which are appointed as Licensing Inspectors. One of these officers specialises in alcohol licensing and processes most of the applications. The Chief Licensing Inspector is the department's Manager.

Mr Bruce Halligan, Council's Group Manager Environmental Services, is the Secretary of the District Licensing Committee by a delegation from the Chief Executive approved by Council.

The department receives clerical support to help in the smooth running of the Committee.

The Committee have held hearings on two days during the year.

Reminders are sent out to all holders of licences and certificates advising them of the expiry date and the need to renew their licence or certificate.

All application forms are available for downloading off the Southland District Council's website.

All applications received are entered into the GEAC Pathway processing system which has a tracking workflow and the ability to produce various reports on the department's activities. All applications are scanned and sent electronically to the reporting agencies.

Staff have a significant backlog of premises renewal applications. This backlog has been reduced significantly by a concerted staff effort.

There were two main reasons for this backlog:

- (a) Council is the one of a small number of councils that have discounted the national alcohol licensing fees (30% reduction in the annual fee) creating a lean business unit. This was welcomed by the industry, following previous Annual Plan submissions about concerns about the statutory increase in alcohol licensing fees in 2015. The consequence of this is a backlog of renewal applications; however it is to be emphasised that the backlog has no adverse effect on licensees, as under the Sale and Supply of Alcohol Act, they are able to continue to trade under their existing licence while their renewal is processed.
- (b) The second reason is that there have been significant increases in the volume of alcohol licensing work from 2015 to 2016 36% increase in special licences, 43% increase in new licensees (mainly transfers), 65% increase in new managers' applications.

## 2. District Licensing Committee Initiatives

The Southland, Invercargill and Gore District Councils continue to work closely together in the implementation of the Sale and Supply of Alcohol Act.

The three councils have a combined member list for their District Licensing Committees.

Licensing Inspectors meet monthly with the Southland Liquor Liaison Group, made up of the agencies involved in administering the Sale and Supply of Alcohol legislation in the region, namely the Police, Public Health South, Fire Service and the three councils.

District Licensing Inspectors are involved in the training of managers through a local training facility.

# 3. Local Alcohol Policy

The Southland, Invercargill and Gore District Councils have joined together to create a Local Alcohol Policy. The combined LAP came into force on 31 May 2016.

The document has three policies:

- (a) Sensitive premises requiring consultation with affected premises within 50 metres of the premises.
- (b) Trading hours.
- (c) Discretionary conditions providing examples of the conditions that the committee can consider.

The LAP is due to be reviewed in 2018.

#### 4. Current Legislation

Council has an Alcohol Licensing Fee-Setting Bylaw 2015. The bylaw reduces the annual fee payable by a licensee of premises for which an On Licence, Off Licence or Club Licence is held by 30%.

Council has an Alcohol Control Bylaw 2015. The bylaw creates an alcohol-free area in the Te Anau town centre.

# 5. Any other matter the Agency might wish to draw to the attention of the Authority

The Council has worked with the Health Promotion Agency to produce a "Southern Enforcement Alcohol Liaison Agency Agreement". It is currently in draft form and being trialled with the combined agencies. So far the agreement is working very well.

Reporting agencies have requested that the Committee issue a number of Managers' Certificates subject to undertakings. These have been used when an applicant has only worked in Off Licenced premises or other limited operations. This has created a two-tier approval level similar to what occurred under the 1989 Act with General and Club Managers.

The Committee has struggled with receiving late Special Licence applications. The reporting agencies question why the applications are late when the Committee has already accepted them. Clarification on who has the responsibility to accept late applications would be welcomed.

The District has a number of grocery stores that have and will have their ability to have a renewal affected by the rising cost in tobacco.

Community events where BYO is continuing to remain an issue. With the Police raising concerns over a place of resort being created, members of the public are at a loss as to what to do. Special Licences cannot be issued for BYO events.
