

PREPARATION AND STORAGE

- ❑ The products must be displayed at a height of not less than 45 centimetres from the ground, unless adequately protected from contamination by dogs.
- ❑ During transportation the products must be wrapped or enclosed for protection from contamination. Animals, chemicals and any substance which could contaminate the food may not be transported with the products.
- ❑ The cakes should preferably be wrapped or enclosed in a covered receptacle.
- ❑ The cakes should not contain perishable products such as fresh cream or custard (a perishable product is one that is stored under refrigeration in a shop).

FOOD HANDLER

- ❑ Don't smoke or chew gum.
- ❑ Don't wear jewellery on your hands or forearms.
- ❑ Cover wounds on your hands and forearms with a waterproof bandage.

SANITARY FACILITIES

- ❑ The stand or stall must be located within 50 metres of a toilet and hand basin.
