APPLICATION FOR RENEWAL OF ON, OFF OR CLUB LICENCE

Sections 18, 41 and 64 Sale of Liquor Act
1989

General Information

What is the latest date that I can submit this application?

The application must be filed with the District Licensing Agency no later than 20 working days before the expiry of the licence. After that time, it may be filed only with the permission of the District Licensing Agency. **In no case** may the application be filed after the licence has expired.

Can I use one form to renew both my On and Off Licences?

No, use one form per licence.

How long does the application process take?

The Police have 15 working days to report. Note the Sale of Liquor Act defines the period between 20 December and 15 January as non-working days.

If the application is opposed by the Inspector, Police, Medical Officer of Health, or a member of the public, the application is determined before the Licensing Authority. The Authority usually sits in Invercargill two to four times a year.

The Inspector has no statutory limit on time to report. Typically if the application is complete and there are no objections, the Inspector will report soon after the other reporting agencies. If the application is incomplete, the Inspector will place the application on hold until all the supporting documentation has been submitted.

The late placement of advertisements can also hold the application up. The Agency cannot grant the application until 10 working days after the first publication of the advertisement.

What happens if my licence expires while I am waiting for the grant of the renewal?

Provided your application for renewal was made prior to the expiry date of the existing licence, the licence continues in effect until the application is determined.

Can my Licence be transferred into a new name at a later date?

No, an On or Off Licence is issued to a specific applicant. If the licence is issued to a natural person who later forms a company, then a new Licence must be obtained in the name of the company. Similarly, if a partnership dissolves, the new entity would have to seek a new licence.
