Dear Rex

Eyre Mountains/Taka Ra Haka - Cycle Track

The Department confirms its support for the proposed Walter Peak to Kingston cycle track which will occupy part of the Eyre Mountain Conservation Park/Taka Ra Haka.

Construction for public use of the track is an activity consistent with the Mainland Southland/West Otago Conservation Management Strategy. The Department also recognises the benefits of increasing recreational use of this area and the additional economic benefits to the community.

It is acknowledged that the planning associated with the future management and control of the track is still subject to further negotiation between the agencies involved.

Yours faithfully

A handwritten signature in blue ink, appearing to read 'A Roberts'.

Andrew Roberts
Acting Conservator
