Southland District Council

Member – Contractual and Other Pecuniary Interests Declaration

SOUTHLAND DISTRICT COUNCIL

Guidance

Introduction

The declaration of interest's form assists elected representatives or appointed members of Southland District Council (Council), committees and community boards, collectively referred to as members, to identify financial and non-financial interests. Members are expected to maintain a clear separation between their personal interests and their duties as elected representatives or appointed members of Council, committees and community boards.

A conflict of interest arises when a member's duties or responsibilities to Council, committees and community boards could be affected by some other interest or duty that the member has.

A CONFLICT OF INTEREST CAN BE:	
ACTUAL	Where the conflict already exists. For example, an elected member is on the board of a community group seeking funding from the committee.
POTENTIAL	Where the conflict is about to happen, or could happen. For example, a councillor's partner is a director of a developer company that is likely to be involved with developments in the District.
PERCEIVED	Where other people might reasonably think that a person has been compromised. For example, a member has made public statements opposing a proposed community facility, and the details are coming to the member's community board for consideration.

It is the responsibility of each member to identify all conflicts that they may have and deal with those conflicts in an appropriate manner, the nature of which will always depend on the circumstances. If a member is unsure if they have a conflict of interest, they should disclose the interest or seek advice.

Further guidance in relation to conflicts of interest are available from:

- the Southland District Council Code of Conduct
- the Auditor General's Local Authorities (Members' Interests) Act 1968: A guide for members of local authorities on managing financial conflicts of interest (which can be found online at: oag.parliament.nz/2020/lamia).
- Contacting either the chief executive or governance legal manager if you have any queries in relation to this form or your obligations in respect to conflicts of interest.

Local Authorities (Members' Interests) Act 1968 (LAMIA)

The LAMIA sets out two rules that apply to members of Council or a Council committee:

Contracts - a member is disqualified from office, or from election to office, if that member is concerned or interested in contracts and subcontracts (either directly or indirectly) under which payments made by or on behalf of Council exceed $25,000 in any financial year (unless there is an exemption within the LAMIA or granted by the office of the Auditor-General). Contracts include one-off or verbal agreements – they don't necessarily need to be in writing and signed to apply.
