This form must be used when:

- Applying for registration of a significantly amended¹ template or custom food control plan under section 45 or 46 of the Food Act 2014; such as adding a new place of food business, or a change in the scope of food control plan that may have an effect on the safety and sustainability of food; or
- Notifying of a non-significantly (minor) amended¹ template or custom food control plan under section 45 or 46 of the Food Act 2014, such as change in a type of food that is similar to an existing type of food identified in the food control plan; or

If you only want a replacement certificate (where certificate has been lost or destroyed), you don't need to submit this form. Simply email approvals@mpi.govt.nz to request a copy of your certificate. MPI will email you a copy, so make sure you keep us up to date with your current email address.

Before you start let's check that you have everything you need:

For applications for registration of significantly amended¹ food control plans:

- Documentation to confirm significantly amended food control plan.

If the change relates to your scope of operations, a description of your business scope of operations has changed (clearly marked additions and/or deletions). Find more information by visiting www.southlanddc.govt.nz, food businesses.

If you are changing verification agency, a copy of the confirmation letter from your new verification agency. A list of recognised verification agencies can be found here: <http://mpi.govt.nz/food-safety/food-act-2014/>, registers & lists.

If your business has changed name, and is a registered limited liability company, a copy of the new company registration certificate. See www.companies.govt.nz

If you are altering, changing, adding or removing addresses where food is handled, you need to make sure you have the address information on hand, and any new or changed site plans. A spreadsheet of the sites' information attached to your application is acceptable. You need to make sure you can confirm that every new or changed operator of the food business covered by the food control plan is a resident in New Zealand within the meaning of section YD or YD2 (excluding YD2(2)) of the Income Tax Act 2007, and provide company registration certificates for any limited liability companies.

¹To decide if your change is a significant amendment, you can check with your verifier, or see Food Notice: Food Control Plans and National Programmes at <http://mpi.govt.nz/food-safety/food-act-2014/>
