Kia ora team,

I would also like to add to my submission, if possible, as below:

What is your submission on the proposed Code of Practice?

I agree with a joint SDC and ICC Code of Practice. I agree that it does not need to be a Bylaw and can be "just" a Code of Practice.

[It would be good to see Te Ao Māori principles weaved through the Code of Practice document.](#)

Do you support the proposed changes to the Code of Practice for Subdivision, Land Use, and Development?

Yes

What is your submission on the proposed Code of Practice?

I agree with a joint SDC and ICC Code of Practice. I agree that it does not need to be a Bylaw and can be "just" a Code of Practice.

Do you support the changes to the District Plan to align with the proposed new Code of Practice?

Yes

What concerns, if any, do you have around the incorporation of the proposed new Code of Practice into the District Plan?
