

Public Notice making proposed Plan Change 1 – Dark Skies 2018 Operative

Pursuant to Clause 20 of the First Schedule, Resource Management Act 1991

PUBLIC NOTICE
Southland District Council gives notice that it has made operative the following:
Plan Change 1 - Dark Skies
Description of Plan Change 1
<p>Plan Change 1 introduces lighting provisions to the Southland District Plan 2018 which relate to Stewart Island / Rakiura only. For clarification Plan Change 1 does not apply to any surrounding offshore Islands for example the Titi / Muttonbird Islands, Ruapuke Island and Whenuahou / Codfish Island.</p> <p>The purpose of Plan Change 1 is to maintain, protect and enhance the night sky environment on Stewart Island / Rakiura and in particular the dark quality of the night sky.</p>
When is Plan Change 1 operative?
Southland District Council gives notice that Plan Change 1 will become fully operative on Friday 18th December 2020 .
Where can I view a copy of the Southland District Plan 2018?
