1.0 PURPOSE

This policy provides guidance on governance and administration of the Stewart Island/Rakiura Visitor Levy. The policy outlines who is liable to pay the levy as well as how the levy will be collected, administered, allocated and enforced.

2.0 BACKGROUND

Although Stewart Island/Rakiura has a small resident population, it is a destination for a large number of short-term visitors. This creates a unique funding challenge for Southland District Council.

The Southland District Council (Stewart Island/ Rakiura Visitor Levy) Empowering Act 2012 (the Act) was passed into law on 26 March 2012. The Act empowers Southland District Council set and collect levies and obtain revenue from visitors to Stewart Island/ Rakiura. Under the Act, funds must be used to better provide services, facilities, and amenities for Island visitors.

3.0 DEFINITIONS

Visitor - any person who travels to the Island and is not exempt from payment of levy or revenue under the Act or the provisions of this policy.

The Approved Operators are Real Journeys on behalf of Stewart Island Experience, Stewart Island Flights and ISS McKay on behalf of the cruise ships.

- (b) the making of grants; and
- (c) the performance of regulatory and other governmental functions.

Freedom traveller - a visitor who travels to the Island by means other than as a passenger of an approved operator. This includes chartered vessels and independent travel. It does not include people who travel via the ferry (Stewart Island Experience) or scheduled flight (Stewart Island Flights) or cruise ships.

Rakiura Māori Land Trust - the Rakiura Māori Lands Trust is governed by six Trustees appointed by the Māori Land Court upon recommendation from the beneficial owners. The Rakiura Māori Land Trust holds lands and funds in trust for many Rakiura Māori descendants.

4.0 COLLECTION

The Act provides for the collection of money from two sources:

1. **Revenue** collected on behalf of Southland District Council by Approved Operators; and
2. **Levy** income from visitors arriving as freedom travellers.

Through contractual arrangements, Southland District Council will collect *revenue* from Approved Operators. Approved Operators include Stewart Island Experience (the ferry), Stewart Island Flights (scheduled airline service) and cruise ships. Passengers will pay the Approved Operator in accordance with the terms of carriage ie, the levy will form part of their ticket price.

However, if the person travels via an Approved Operator and pays a local or child fare, the Approved Operator will not charge the levy.

Under the Stewart Island/Rakiura Visitor Levy Bylaw 2012, Southland District Council will collect the *levy*. The *levy* will be collected from freedom travellers, ie those who are visitors under the Act but do not travel as passengers of an Approved Operator. Where a person is a freedom traveller the categories of exemption in Clause 4.1 apply. This means that if a person is not exempt, he or she will have to pay the levy.

The Act exempts people visiting the Island for a continuous period of 21 days. If revenue is collected from such individuals, they can seek a refund from Southland District Council by providing proof they have been on the Island for at least 21 days.

4.1 Who Pays

All individuals travelling to Stewart Island/Rakiura must pay the levy or pay revenue to an Approved Operator unless they are exempt under the Act or pay a local fare.

The Act provides several categories of exemption. These are:

1. Residents, ratepayers and tenants of Stewart Island/Rakiura and their spouses, civil union partners, de facto partners, or dependants;
2. Beneficiaries of the Rakiura Māori Land Trust or individuals who have an ownership interest in a Māori land block on the Island;
3. Visitors who remain on the Island for any continuous period of 21 days or more;
4. Owners of a transport vessel or individuals employed under contract to work on a transport vessel;
5. Individuals whose visit is entirely within the boundaries of the Rakiura National Park;
6. Persons under the age of 18 years on the date of arrival on the Island.

Where the resident or ratepayer exemption applies to a person, the exemption does not automatically apply to the whole family or group. The exemption applies to the ratepayer(s) set out on the rates notice and their spouse, civil union partner, de factor partner or dependant. This does not include visiting adult children or grandchildren (unless they are dependants). Holiday home owners are exempt if they are a ratepayer on the Council's rates notice. However, beneficiaries of family trusts are unlikely to be exempt if they are not designated by name as ratepayers on the Southland District Council rates notice.

The exemption does not apply to visiting trades-people unless the person stays for more than 21 days. Volunteer visitors are also required to pay the levy unless they fall within a category of exemption.

Visiting entirely within the boundaries of the Rakiura National Park means the person visiting does not arrive or leave through the township of Oban.

5.0 CALCULATION

The amount of the levy is set out in the Stewart Island/Rakiura Visitor Levy Bylaw 2012 and is currently set at \$5.00.

In the event an increase in the levy amount is considered, public consultation will occur via the Southland District Council Annual/ Long Term Plan process. If Council decides to increase the levy amount, the increase will not take effect until 1 October in the year following the decision ie, Approved Operators will receive 15 months lead in time before they start collecting the new amount.

5.1 Arrangements with Approved Operators

Approved Operators will collect revenue on behalf of Southland District Council in accordance with contractual arrangements. The contractual arrangements will be negotiated for each Approved Operator taking into account the individual circumstances of each transport business.

Apart from cruise ships, Approved Operators will charge the levy for both inbound and outbound journeys (\$2.50 each way). This allows for passengers who use different modes of transport to travel to and from the Island and allows the levy to be apportioned across the modes of transport on an equitable basis.

5.2 Collection of the Levy from Freedom Travellers

The Stewart Island/Rakiura Visitor Levy Bylaw 2012 outlines levy collection from visitors who travel to the Island via private or chartered transportation ie, freedom travellers. A levy of \$5.00 will be payable when the person arrives on the Island. Southland District Council has provided a collection box to receive payments, placed at the Southland District Council office at 10 Ayr Street, Oban. Freedom travellers can deposit levy payments at this location at any time. Southland District Council will also enter into agreements with an agent(s) operating chartered vessels to collect the levy from passengers on behalf of Southland District Council.

Only one payment is required per person for the duration of their stay on the Island. Travel to neighbouring Islands (excluding the mainland) will not constitute leaving the Island.

6.0 PROOF OF EXEMPTION

Persons exempt under the Act can apply for a Southland District Council photo identification card. Southland District Council photo identification cards will be accepted as proof of exemption by Approved Operators and agents. They will also be accepted by enforcement officers monitoring compliance with the Stewart Island/Rakiura Visitor Levy Bylaw 2012.

A Southland District Council photo identification card will be issued and renewed at no cost to exempt applicants. Renewing a Southland District Council photo identification card will require confirmation of entitlement using documentation as set out in Appendix A. Photographs will also be updated at the time of renewal. It is the responsibility of the card holder to advise the Council of any change in contact details or exemption status.

The card remains the property of Southland District Council. Cards are not transferable and cardholders retain sole responsibility for use of the card issued to them. A replacement fee will apply to lost or damaged cards. This fee will be set out in the Southland District Council Schedule of Fees and Charges.

Agreements between Southland District Council and Approved Operators are reached on an individual basis and may differ. A Southland District Council photo identification card may be required by the Approved Operator at the time of ticket purchase or boarding the vessel for an exemption to be granted.

Each Approved Operator may choose to compile a list of names eligible for local fares. Eligibility for a local fare is a commercial decision made at the discretion of Approved Operators and is not influenced or administered by Southland District Council. Individuals can contact Approved Operators to ascertain whether they maintain such a list and to determine their eligibility for inclusion. Eligibility for local fares may mean that there is no requirement to apply for and carry a photo identification card when travelling.

6.1 Application for Exemption

An application to receive a Southland District Council photo identification card can be made by attending the Southland District Council office located at 15 Forth Street, Invercargill or by sending a completed application form to PO Box 903, Invercargill 9840 accompanied by a colour passport sized photo of each applicant.

Applicants are also required to provide documentation which proves their exemption. Examples of accepted documentation to prove exemption status are set out in Appendix A.

Two categories of card will exist, distinguished from one another by colouring. The first category will cover people with long term exemptions, including ratepayers, residents and beneficiaries of the Rakiura Māori Land Trust. Cards issued to individuals in this category will be valid for a period of up to five years.

A second category of card will be issued to people who have a temporary exemption due to circumstances such as seasonal work or extended temporary stay on the Island. These cards will be valid for a fixed period of time up to six months. To align with seasonal work trends, fixed periods for temporary cards will be from 1 October to 31 March and from 1 April to 30 September each year.

7.0 REFUNDS

People who have been charged the levy but believe that they are exempt under the Act can apply to Southland District Council to receive a refund. Refund applications should state the reason for the claim, along with a copy of supporting documentation as set out in Appendix A.

An application for a refund must be made within six months of the date of travel.

8.0 AUDIT

Southland District Council has the ability to audit the collection and payment of the levy by agents and revenue by Approved Transport Operators. Audit procedures may include a review of visitor numbers against funds received.

9.0 ENFORCEMENT

Part 2 of the Act outlines infringement offences. Any person considered a visitor that has evaded payment or falsely claims that they are not a visitor will be considered to have committed an infringement offence.

An infringement fee is set by way of regulation and will be displayed on signs erected on the Island. Infringement notices can be issued by Southland District Council Enforcement Officers. Enforcement Officers are authorised to request proof of payment or exemption from individuals.

Southland District Council photo identification cards are accepted as proof of exemption. A ticket issued by an approved transport operator, a cruise ship boarding pass or a receipt from the collection box or a levy collection agent will also be accepted as proof of payment.

10.0 ADMINISTRATION

The Stewart Island/Rakiura Visitor Levy Subcommittee (the Subcommittee) has delegated responsibility to make decisions regarding funding from the Stewart Island/Rakiura Visitor Levy Fund. Decisions will be based on the compatibility of applications with allocation criteria and alignment with strategic outcomes determined by the Subcommittee.

The Stewart Island/Rakiura Visitor Levy Subcommittee is a Subcommittee of the Community and Policy Committee and is subject to standard audit procedures. The Community and Policy Committee will be informed of funding decisions via memoranda. Southland District Council's Annual Report will contain an itemised statement of the Stewart Island/ Rakiura Visitor Levy Fund each year.

10.1 Stewart Island/ Rakiura Visitor Levy Subcommittee Membership

The Subcommittee will meet annually to review applications and allocate funding. The Subcommittee will consist of the following members appointed by Council:

- A representative recommended by each of the Approved Operators (three in total).
- One Community Board representative and the Councillor for Stewart Island.
- One independent Councillor who will act as a representative of Southland District Council and be appointed by the Council. The independent Councillor will act as Chair of the Subcommittee.

The Chair of the Subcommittee will have a casting vote, which can only be exercised to resolve an evenly split vote.

10.2 Technical Advisory Group

The Subcommittee will be supported by a Technical Advisory Group (TAG). The TAG will be appointed by Southland District Council to provide strategic insight and technical expertise regarding funding applications. The Technical Advisory Group will provide recommendations to the Subcommittee based on an assessment of the demand for projects, their viability, likely impact and alignment with strategic outcomes.

10.3 Allocation Criteria

Allocations will be made in May of each year. The application process will be administered by Venture Southland. Advertisements will be placed once the fund is open to receive applications and will include the deadline for receipt of applications. Late applications will not be considered.

Only funds that have been received by Southland District Council at the time of advertisement will be allocated.

To be considered for funding, applications must be consistent with Section 6(b) of the Act. Section 6(b) states that revenue and levies collected must be used to fund:

1. Activities used by visitors;
2. Activities on the Island for the benefit of visitors; or
3. To mitigate the adverse effects of visitors on the environment of the Island.

These criteria do not exclude applications for funding in relation to the development or maintenance of existing facilities, services and projects. However, no funds will be allocated retrospectively for projects that have already been completed.

In considering applications, the Subcommittee will give priority to applications for activities or projects that can demonstrate the widest public benefit. Applications that primarily benefit a single or limited number of persons or entities will be given a low priority.

Applications to the Stewart Island/Rakiura Visitor Levy Fund must be made using the appropriate documentation provided by Venture Southland. All applications must include:

- An outline of the project or work requiring funding, including a timeline.
- If the project involves physical works, scale conceptual plans including site plans.
- Any requirement for resource or building consent.
- A business plan for the project including costs and on-going funding requirements, if any.
- Evidence of legal status of the applicant (eg, charitable trust or body corporate).
- An assessment of how the project meets the purposes of the Act and responds to the set strategic outcomes.
- Declarations of interest.

If a Subcommittee member has any connection to an application greater than that of the general public that member should declare an interest in the relevant application, prior to it being considered. In such circumstances, the member affected shall still be entitled to speaking and voting rights, unless the member has a pecuniary interest in the application.
